TOUR OF
THE CAMP!

HELLO, TEACHERS & FACULTY!

At Camp Woods, you have the opportunity to teach your students outdoor skills while taking part in many activities available on our 103 acres, lakeside on Sylvan Lake, AB (1 h 40 min drive north of Calgary). Owned and operated by Scouts Canada, our facility is available during the offseason to schools and groups. With multiple kitchens, halls, and heated bunkhouses available, we can accommodate school groups of various sizes.

Our Aspire Challenge Tower is a great team-building feature for any age. Camp Woods is also famous for our sailing program in the warmer months, and ice activities in the winter months.

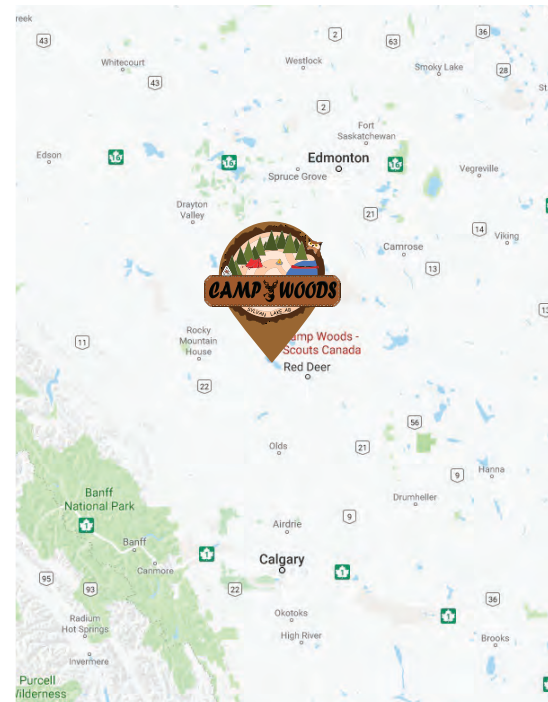

Facility rental only! Bring your own staff and instructors.
